

VIPATTI KE BAAD VYAPAAR KO UBHARNA ZAROORI HAI

Samaaj apne vyapaaron ki tarah hi taaqatwar hai

Jaisa ki shodh dwara pramanit hai, sansthayik aur saamaajik suraksha saath-saath judi hai. Agar sansthayen aur vyapaar aapaat samay mein kadam uthaane mein asamarth hai, toh samaaj bhi taiyaar nahi hoga.²

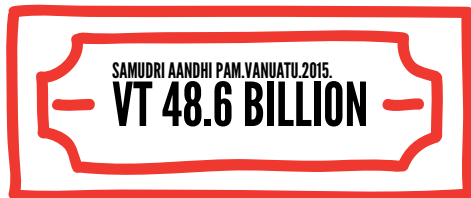

Chote se lekar madhye aakaar wale vyapaar vishwa mein adhikansh deshon ki arthvewastha waali reedh ki haddi hi nahi hai, balki woh aamtaor par inn arthvewasthaaon ki neev bhi hain. UK aur US mein 99% vyapaar chote taor par sanchaalit hain. Prashant ke dweepiye deshon mein, chote vyapaar aur asthaai micro-business bhaari sankhya mein hain aur weh naukriyan tatha sewaayen pradaan karne mein bhaari yogdaan dete hain. Yeh micro, chote tatha madhye aakaar wale vyapaar samaajon ko aarthik tatha saamaajik mazbooti pradaan karte hain aur samaaj bhi aise vyapaaro ko taaqat pradaan karta hai.

Neeche diye gaye aankde yah darshaate hain ki prashant mein private sectaron par vipattiyon mein kaise zyada asar padta hai, jiske kaaran jin samaajon aur sthaaniye arthvewasthaaon mein yeh hote hain, unpar kaise nakaraatmak asar padta hai.
